We know Australians.

MEETING AND EVENT ROOM HIRE

Calm, creative spaces

Unique, well-thought-out rooms to help nurture idea-building in a neutral setting.

Freedom to collaborate

Write on walls and desks, stick up pictures, and easily change the layout to suit your session.

Central Sydney location

Find us in Crows Nest, with easy access to the city within minutes and free parking nearby.

Feel comfortable, be inspired and switch on

Ekas's professional yet welcoming rooms are designed to inspire creativity and collaboration. Our modern, light-filled meeting spaces also feature multiple waiting rooms and kitchen facilities and are ideal for hosting large or small group events, including:

- Training sessions
- Think tanks
- Client meetings
- Staff and team meetings
- Group and individual interviews
- Seminars
- Short courses
- Practical and seated Exams
- Lectures
- Events
- Conferences

Service that goes beyond four walls

Unlike other venues, all our spaces come with an on-site manager to greet and assist you and your guests with all your needs. Our rooms have access to all the essentials you need to host your meeting or event, including:

- Access to a kitchen with light refreshments (tea, coffee and filtered water)
- Complimentary ordering and delivery from local restaurants
- Free wifi
- Whiteboard walls
- Projectors or flat-screen TV displays (with connectivity to PC or Mac)

All of the facilities above are included in our room rates.

We also offer an extensive range of optional extras, such as non-alcoholic and alcoholic beverages, full catering options, printing, and the use of a large number of laptops, tablets and telephones.

TAKE A LOOK AT OUR ROOMS

The Red Room

A boardroom-style room with a large centre table that hosts up to 10 people. This room includes a TV with computer inputs, a laptop, full-length wall shelving, wifi access, a writable desk and a magnetic, full-length whiteboard wall. This room also comes with optional extras of session video and sound recording, live remote viewing and the option to use the one-way mirror to the viewing room (with a capacity of 6 people).

The White Room

A boardroom-style room with a large table that hosts up to 10 people. This room includes a TV with computer inputs, a laptop, full-length wall shelving, wifi access, a writable desk and a magnetic, full-length whiteboard wall. This room also comes with optional extras of session video and sound recording, live remote viewing and the option to use the one-way mirror to the viewing room (with a capacity of 5 people).

The Black Room

A large, ground-floor, boardroom-style room that hosts up to 16 people. This room includes a TV with computer inputs, a laptop, full-length wall shelving, wifi access, a writable desk and a magnetic, full-length whiteboard wall. This room includes a TV with computer inputs, a laptop, full-length wall shelving, wifi access, a writable desk and a magnetic, full-length whiteboard wall. This room also comes with optional extras of session video and sound recording, live remote viewing and the option to use the one-way mirror to the viewing room (with a capacity of 6 people).

The Grey Room

A medium-sized, boardroom-style room that hosts up to 6 people. This room includes a TV with computer inputs, a laptop, floor-to-ceiling windows with a private outlook, and a writable glass wall.

The Orange Room

Take an entire floor to yourselves. With ample open space, easily configurable chairs and tables, and room dividers, the orange room is designed to be flexible so you can arrange it to suit your session. This space hosts 35 people seated and 50 including standing, and features two breakout areas with a couch, chairs, and cubes to easily manage movement between sessions. It includes a full kitchen with a commercial fridge, bathrooms, independent air conditioning, a wall-to-wall magnetic whiteboard wall and a projector. The Orange Room also boasts floor-to-ceiling windows to bring in ample natural light (featuring blackout and filter blinds), and an open, airy courtyard. This room also comes with optional extras of session video and sound recording, live remote viewing and the option to use CCTV viewing room (with a capacity of 6 people).

The Yellow and Blue Rooms

These are our two smallest rooms and are suitable for 2-4 people. These rooms offer a private space with a table, chairs, laptop use, wifi and complimentary tea and coffee. They are an ideal option for freelancers and sole traders, offering a professional and private space to meet while still being cost effective.
